

SHOWA

377-IP

SHOWA 377IP provides an impact protection on the most fragile part of the hand: knuckles, thumb and fingers combining an excellent premium grip preserving the wearer from grease and liquids penetration.

FEATURES

- Impermeable full nitrile coating all over the hand
- Extra nitrile foam coating finish on the palm
- High-abrasion resistance
- Anti-impact protection hand sewn with high standards of care in our factory
- Unique SHOWA ergonomic shape that replicates the natural curve of the human hand
- High-visibility green colour for visible hand signaling

BENEFITS

- Impact protection reduces shock energy on metacarpals and knuckles, adds pinch-point protection for fingertips
- A flexible, robust glove offering great dexterity combine with good resistance to tearing
- Foam nitrile palm finish disperses oil, sludge and mud away to maximize grip
- Nitrile protects from water, oils, hydrocarbons grease splashes with optimal long-lasting grip
- Excellent fitting due to optimal liner design
- Seamless knit designed to prevent irritation
- No latex - minimal allergy risks
