

# ELIMINATOR<sup>®</sup>

## VACUUM PUMPS

### THE BEST AMERICAN MADE ECONOMY PUMP

Built for the air conditioning serviceman who wants a high quality, dependable vacuum pump, the ELIMINATOR<sup>®</sup> series offers many higher end features without the higher end price. American made, 100% tested to JB's stringent quality standards, backed by an unparalleled \*\*24 month over-the-counter warranty, the ELIMINATOR<sup>®</sup> is the best economy vacuum pump in the industry.

Because each ELIMINATOR<sup>®</sup> is made at our factory in Aurora, Illinois, American pride is built into each one of these workhorses. Completely field repairable, these pumps are built to withstand the toughest jobs.
