3M™ Easy Clean System

**A more efficient way to clean,
maintain and finish floors.**

The 3M™ Easy Clean System

The 3M™ Easy Clean System combines three hard-floor care systems that function together to effectively and efficiently dust, wet mop and apply floor finish.

- ▶ Reduce labor costs up to 70%
- ▶ Increase performance up to 8X
- ▶ Cut chemical waste by as much as 80%
- ▶ Reduce mop drag versus string mop and bucket method

3M™ Easy Trap Duster — sweep & dust sheets.....page 3

Patented technology* traps up to 8X more dirt, dust and sand than both conventional flat fringed cotton dust mops and the common household sweeping dust cloth brand.

3M™ Easy Scrub and 3M™ Easy Scrub Express Mopping Systems.....pages 4 & 5

Operator-controlled dispensing mechanism helps get the right amount of chemical delivered where needed, helping reduce chemical waste and leftover chemical in the bucket.

3M™ Easy Shine Floor Finish Applicator Systempage 6

Reduce excess use of chemicals compared to a traditional mop and bucket method. Helps reduce employee and patient exposure to odors and floor finish disposed into waste systems.

3M patented manufacturing technology*.

3M™ Easy Trap Duster — sweep & dust sheets

3M™ Easy Trap Duster — sweep & dust sheets use a patented technology* to trap up to 8X more dirt, dust and sand than both conventional flat fringed cotton dust mops and the common household sweeping dust cloth brand. Use the length you need on nearly any flat floor tool, or wrap around high dusting tools to capture dust from ceiling fans, vents, blinds and other difficult to reach areas.

- ▶ **Low drag:** Helps reduce risk of worker fatigue
- ▶ **Exceptionally efficient:** Double your coverage — fully load both sides of the sheet
- ▶ **Uniquely versatile:** Glide through debris, damp floors and even puddles with ease
- ▶ Made in U.S.A. with globally sourced materials
- ▶ Sheets contain a minimum of 60% recycled content
- ▶ Rolls perforated every 6"

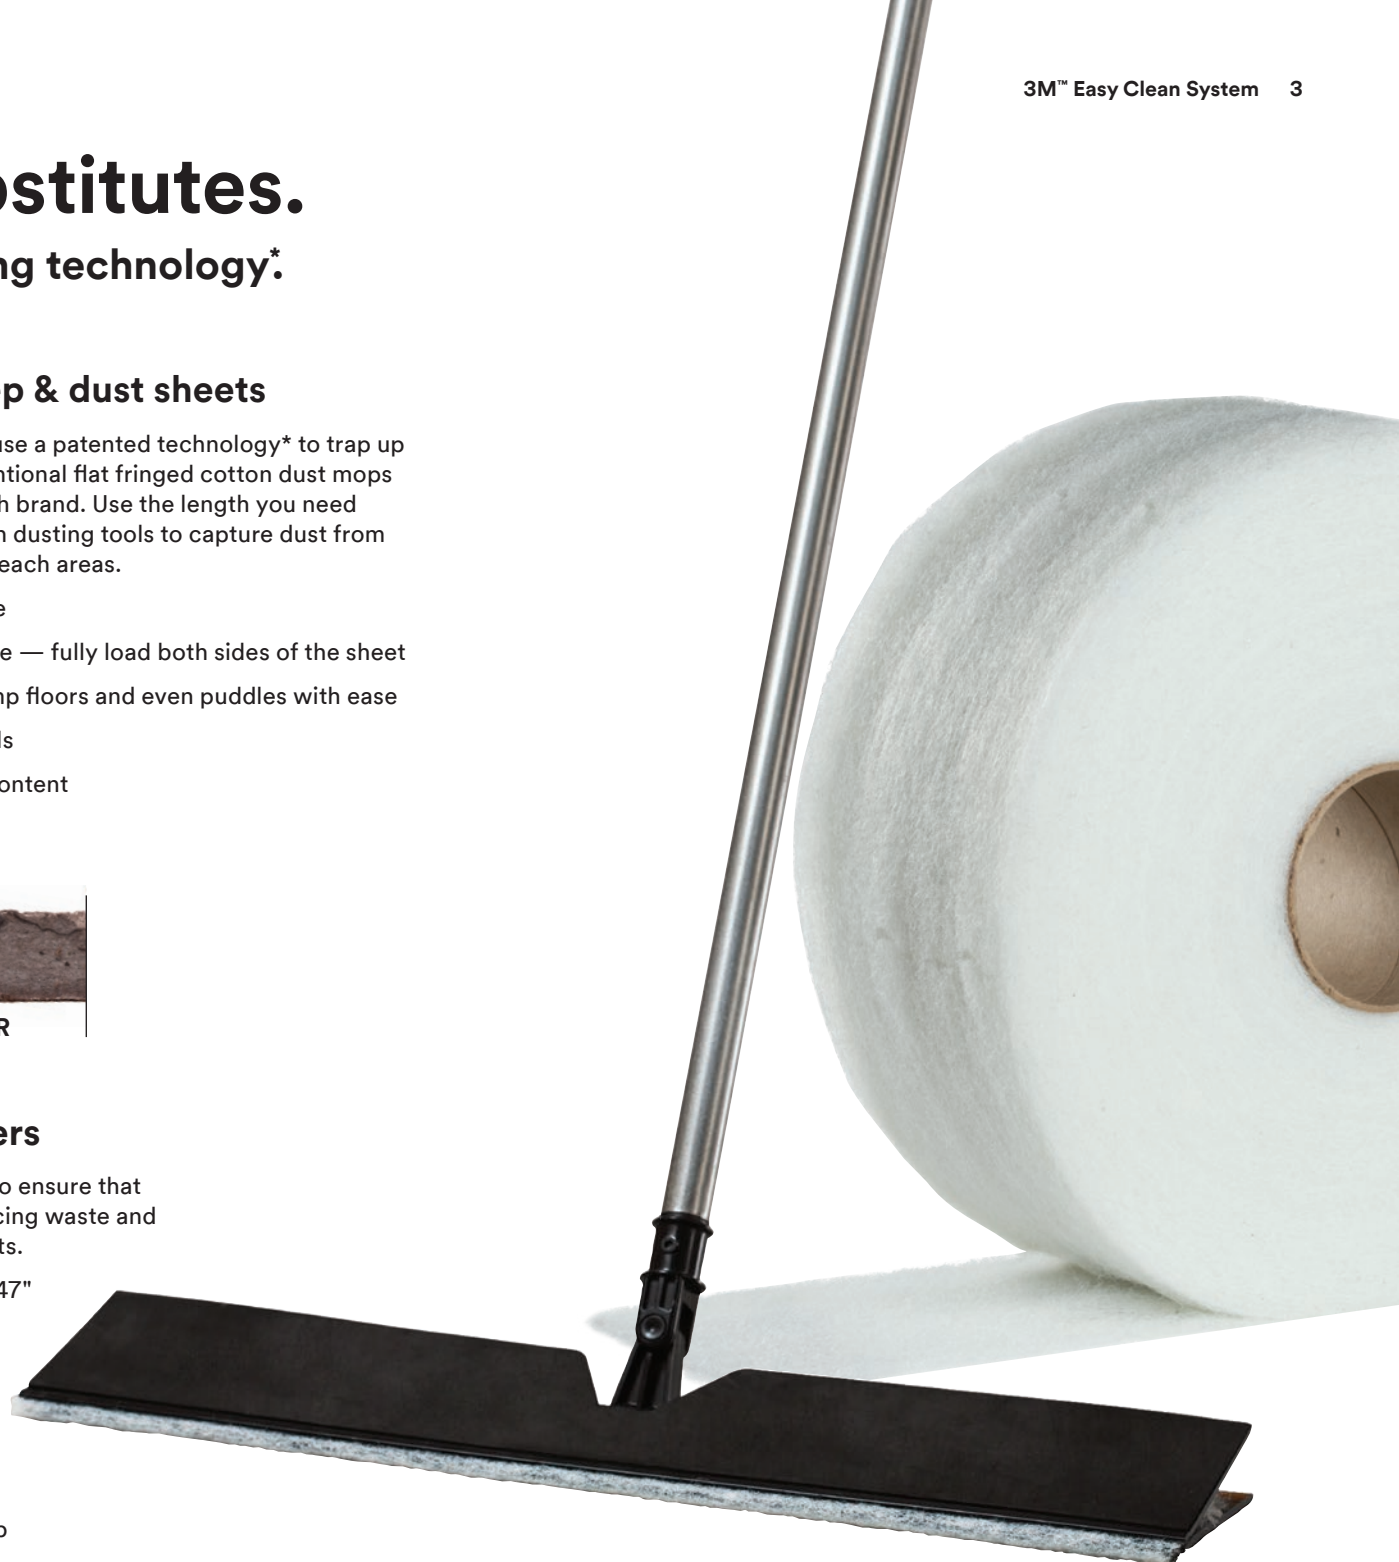

3M™ Easy Trap Duster — holders

3M™ Easy Trap Duster — holders are available to ensure that both sides of the sheets are used, thereby reducing waste and eliminating the need to manually turn over sheets.

- ▶ Available in a variety of widths: 17", 23", 35", 47"
- ▶ Handle/pole not included; attaches to any standard threaded mop/broom handle
- ▶ Use with 5" width sheets of 3M™ Easy Trap Duster — sweep & dust sheets

Use only what you need. When you need it. How you need it.

3M™ Easy Scrub Express Flat Mop

Using interchangeable bottles, the 3M™ Easy Scrub Express Flat Mop dispenses just the amount of cleaning solution needed for the job. Need to use a different solution, perhaps a disinfectant? Simply remove the partly used 11.5 oz. bottle of cleaning solution and replace with a bottle containing disinfectant.

- ▶ **Varying dispensing options:** Activate specially designed valve by squeezing the bottle to dispense solution or remove the bottle and squirt in hard to reach places
- ▶ **Lightweight:** Aluminum handle with 16" mop pad holder weighs only 1.3 lbs (without solution)
- ▶ Adjustable handle from 39–60"
- ▶ While we recommend 3M brand cleaning chemistries, nearly any brand of cleaning solution can be used with this system
- ▶ Available caddy holds 12 bottles, reducing trips to the janitor's closet to refill solution container

Button click. Clean quick.

3M™ Easy Scrub Flat Mop

- ▶ **Extremely lightweight:** Aluminum mop pole holds 15 oz. of cleaning solution
- ▶ Dispense cleaning solution using a simple press of the button located at the top of the mop
- ▶ Streamlined design for easy maneuverability

Premium quality. Longevity.

3M™ Easy Scrub Microfiber Flat Mop Pads

Cleans and removes stuck on dirt and debris with ease, using soft, firm polypropylene scrub stripes intertwined with highly absorbent microfibers.

- ▶ Designed to retain 96% of its shape over time
- ▶ Connects securely to nearly any hook and loop mop frame
- ▶ Sizes: 12", 18" and 24"
- ▶ Washable up to 300 laundry cycles in bleached industrial/commercial (200°F), or up to 500 laundry cycles in bleached household (120°F); chlorine bleach safe
- ▶ Available in four colored bordered versions (red, green, blue and white); color coding helps reduce potential cross-contamination

Recommended 3M™ Easy Scrub Microfiber Flat Mop Pad usage:

Pad Color	Facility Area	Healthcare Area
Red ●	Restroom floors	Restroom floors
Blue ●	—	Operating/emergency rooms
Green ●	Kitchen floors	Kitchen floors
White ○	General floors, dining floors	Patient rooms, general public areas

3M™ Easy Scrub Shaggy Flat Mop Pads

Premium quality, short cotton strings clean the toughest messes in crevices with the ease of a flat mop system. Ideal for textured surfaces such as ceramic tile, quarry tile, natural stone and terrazzo or raised rubber flooring.

- ▶ Retains its size and shape over time
- ▶ Connects to nearly any hook and loop frame
- ▶ For uneven surfaces
- ▶ Sizes: 18" and 24"

More consistent shine in half the time.

3M™ Easy Shine Floor Finish Applicator System

The 3M™ Easy Shine Floor Finish Applicator System leverages a lightweight backpack that holds up to 1.5 gallons of floor finish in reusable plastic bags. Dispense floor finish with a quick squeeze of the trigger. Floor finish applied is smooth and consistent.

- ▶ Reduces labor costs by as much as 70%
- ▶ Helps reduce finish usage compared to traditional mop and bucket method
- ▶ Patented lightweight, aluminum handle
- ▶ Fill station makes refilling plastic pouches at the work site simple
- ▶ Although 3M and Scotchgard branded floor protectors and finishes are recommended, nearly any brand of floor finish can be used with this system

Scotchgard™ Floor Finish Applicator Pads

Scotchgard™ Floor Finish Applicator Pads are designed with resilient floors in mind, such as VCT, linoleum, rubber and vinyls. The 18" white with yellow striped pad holds enough finish to easily and swiftly coat the floor. They're reusable. Simply rinse until water runs clear, then dry.

3M™ Easy Shine Floor Finish Applicator Pads

3M™ Easy Shine Floor Finish Applicator Pads are designed to apply a very thin layer of floor finish to hard floors such as stone, concrete and terrazzo. The 18" blue pads hold and release just the right amount floor finish to get the exact amount needed on the hard surface.
