

PRODUCT SPECS

12 CAL ARC FLASH JACKET & BIB OVERALLS

Arc Flash Protection

Our **12 Cal Arc Flash Jackets** and **Bib Overalls** are made from navy UltraSoft® fabric. Inherently flame resistant and with a soft feel, UltraSoft® is a blend of 88% cotton and 12% nylon. The addition of nylon enhances both the durability and ATPV performance of the fabric. Clothing meets ASTM F1506 and NFPA 70E PPE Category 2. Arc rating ATPV 12.
