### **Product Description:**

- Floor Stand Accommodates a variety of BOWMAN® Respiratory Hygiene Stations
- Column with square base and mounting top plate for companion product
- Hardware is included
- Made of Quartz Beige Powder-Coated Steel

#### **Primary Area for Product Usage:**

- Ports of entry: waiting rooms, lobbies, elevators
- Medical offices or clinics

#### Dispenses:

Most major manufacturers' standard glove boxes:

Boxes no larger than 5.50"W x 10.00"H x 3.75"D (14.0 cm x 25.4 cm x 9.5 cm)

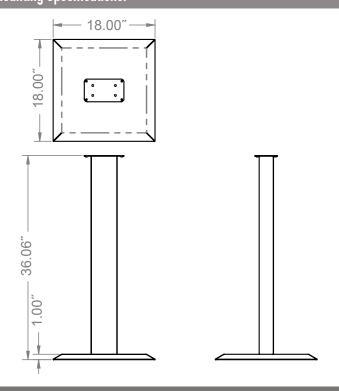

#### **Package Specifications:**

- Package Quantity: 1 per case
- 36"L x 20"W x 6"H (91.4 cm x 50.8 cm x 15.2 cm)
- 20.0 lbs (9.1 kg) approximated

#### **Product Specifications** (overall external dimensions):

- 18.00"W x 36.06"H x 18.00"D (45.7 cm x 91.6 cm x 45.7 cm)
- 16.0 lbs (7.3 kg) approximated

#### **Mounting Specifications:**

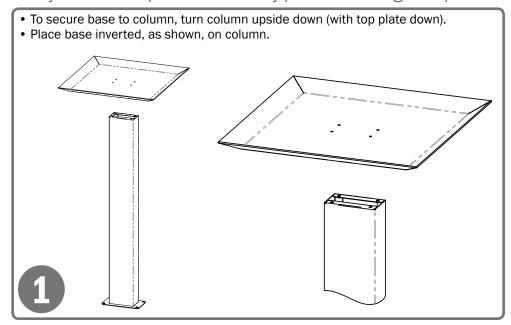

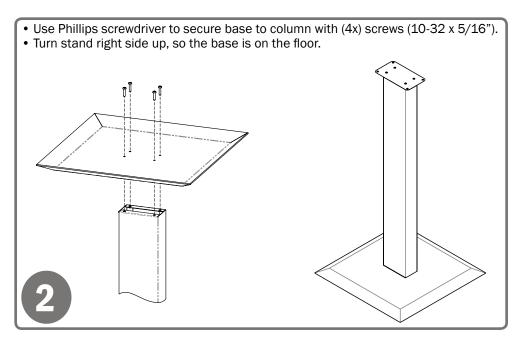

# KS010-0412 Floor Stand

Installation Instructions/Material Care & Construction

#### Installation

Always mount dispensers securely prior to loading with product.

#### Parts included:

- Column
- Base
- Hardware

 (8x) Screws: (4x) for stand, (4x) included to attach companion product (Phillips type 10-32 x 5/16")

#### **Tools Required:**

Phillips screwdriver

# Care and Construction Powder-Coated Steel

#### **Material Characteristics**

# **Designed for Long-Term Use**

Our steel dispensers and stands are coated with polyester powders which makes them highly resistant to corrosion.

Powder-coated steel is ideal for dispensers used in a healthcare or an industrial setting because it is impact resistant and is not effected by extremes in temperature.

Dispensers and stands made of powder-coated steel are both attractive and functional, providing years of service.

## **Care and Cleaning**

For best results, clean by washing the surface with a diluted solution of a mild, non-abrasive detergent in cold or warm water and a non-abrasive cloth. Standard hospital cleaning supplies can be used. Dry with a soft cloth. Do not use any solvent-based materials, abrasives (e.g. Scotch-brite, steel wool), or apply excessive force during cleaning.
