Pillows, Cases, and Protectors

With antimicrobial protection that inhibits a variety of odor-causing molds, bacteria, and fungi, the Comforel Clusterfiber Fill pillow features 100% cotton and T230 ticking with piped edges. The Micro-denier pillow has a down-like fill, 100% cotton, T230 Ticking and piped edges. Microvent Fiber pillows are anti-bacterial, flame retardant and fluid proof. Gold Choice silicone fiber pillows have a poly cotton window pane ticking that provides both comfort and support.
