

URINAL SCREENS & MATS

ODOR CONTROL

FRESHER RESTROOMS & BETTER EXPERIENCES

Dirty restrooms are easy to identify and hard to forget. Sticky floors and foul odors around urinals are clear indicators of uncleanness. Tough Guy® urinal products help eliminate unwanted odors in restrooms with enzymes to break down organic materials up to 30 days. Deodorized urinal screens counteract unpleasant odors at the source, emit a pleasant fragrance, and prevent unwanted items from flushing down the urinal. Urinal mats catch splashes and protect floors.

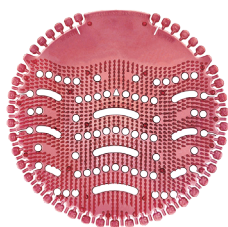

3EEE6

Enzymatic Urinal Screen & Block – good

- Cleans the urinal and leaves a fresh fragrance for up to 1,200 flushes
- Reduces splashback – patented “Non-Splash” design keeps liquids where they belong
- Source reduction – no cello bag to throw away, block is water-soluble

Fragrances: Springtime

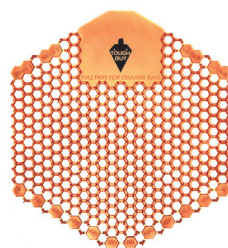

6EPA2
