**Value and Hotel Basics Towels**

Our *Value*, *Hotel Basics*, and *Spa and Comfort* lines of towels are designed specifically to fit a variety of needs and industries. Our most economical *Value* towels are made from 10s OE yarn and feature a cam border. Our *Hotel Basics* line offers mid-range hotel-grade absorbency and softness with a poly cotton blend made from 16s RS yarn that increases wear life, reduces replacement costs, and will improve a room's appearance. Ring-spun towels provide optimal absorbency and softness with a durable cam border. These towels will provide a warm and welcome reminder of home for your guests.
