

## Factsheet

# HANDWASH SYSTEMS

Now, one name cleans all.

1XHN2

The new Tough Guy line of hand soap products can be used in the washroom, food preparation areas, healthcare facilities and anywhere convenient hand wash systems are required. Tough Guy products offer a variety of systems designed to fill the needs of the marketplace.

### Tough Guy Foam Soap Dispensing System

The Tough Guy manual foam dispensers are durable and have a skylight to illuminate the product inside so that it is easy to see through the extra large site window. The dispensers are ADA compliant for one hand push operation. An optional key lock is included for additional security. The 1250 mL foam dispenser holds an easy to load 1250 mL refill in a remarkably small footprint and delivers more than 1,700 handwashes. The 2000 mL foam dispenser holds a 2000 mL sanitary sealed refill. This dispenser is great for high traffic areas because it delivers more than 2,800 dispenses per refill. Tough Guy foam soap is a premium product that is appealingly smooth and creamy.
