

### OVERVIEW

The Barracuda Box, The Toughest Inmate Property Storage Box, is specifically designed to exceed all requirements of an inmate property storage box. The Barracuda Box is stronger, lighter and more functional than other inmate property storage boxes. **Manufactured to ISO Quality Standards in the USA.**

### FABRICATION/MATERIAL

Constructed of high impact, no break, polypropylene. Flame Retardant (Passes CAL133). Test results available upon request.

“Stack and Nest” Design - Stack property boxes with or without a lid without crushing the contents of the Barracuda Box. “Nest” property boxes inside one another by simply turning the empty box 180 degrees. Save on freight and save storage space. Each Barracuda Box is individually numbered for effective inmate ID and property control. Radius design (rounded edges and corners) for maximum impact dispersion and resistance. Vertical radiused structural columns for maximum strength and impact resistance. Locking hasp on both sides of the box.

**COLOR** Gray. Custom colors available upon request
