

Tensabarrier® 897 Wall Unit

897 Wall Mount Units are ideal for closing off areas in a warehouse or factory. Easy to mount on storage racks, wall mounts can be used to close off aisles when using forklifts, creating returned goods, quarantine areas or restricting access during maintenance work. Wall mounts are available with temporary, semi permanent or permanent fixing systems and belt lengths between 15' and 24'.

Specifications:

Belt Length: 15' or 24'

Fixings: speedHook and magnet for temporary fixing, clamp for semi permanent installation or mounting plate for permanent installation

Belt Colors: yellow/black, red/white, blue/white, green/white diagonal stripe

Belt Printing: 12 standard messages available, such as "Caution – Do Not Enter" or custom printing options

Features and Benefits:

- > s-clip belt end enables the belt to attach to any warehouse racking
- > available in a variety of finishes
- > wall based mount delivers a permanent barrier solution while maximizing floor space
