## 137 OPERA™ (SPECIALTY)

A NoTrax® exclusive: Opera™ combines three functional mats into a single mat design.

Zone 1) - A looped non-absorbent yarn scrapes debris and moisture.

Zone 2) - Combines looped scraper yarns with absorbent Decalon® looped pile to begin the drying process.

Zone 3) - Pure Decalon® looped pile to complete the drying function. All yarns are color-coordinated to combine beauty and functionality.

### Product info:

- Three mat "Scrape & Dry" system in a single mat
- Dense combination of scraping and absorbent yarns ensure maximum performance
- Low profile for use in narrow clearance doorways
- Vinyl backing helps reduce mat movement
- Recommended product as a part of the GreenTRAX™ program for "Green Cleaning" environments

Thickness: 3/8"

Stock Sizes: 3'x10', 3'x12', 4'x10', 4'x12', 6'x10', 6'x12'
