

PIG® Urinal Mat with Grippy® Backing

GRP7601 Adhesive Backing; Poly-Backed; Antimicrobial Fiber, 36 pads, Small

Keep your restrooms cleaner and provide better drip and splash protection with our adhesive-backed urinal mats.

- Patent-pending Urinal Mat design provides better drip/splash coverage under urinals
- Permanently infused antimicrobial technology prevents the growth of odor-causing bacteria and mold on the mats to keep restrooms cleaner and fresher smelling
- Proprietary, full-coverage adhesive backing keeps mats in place underfoot with no shifting, curling or flipping up to stop slip and trip hazards; peels up easily
- Mats stick to your floor and won't budge while you clean them; simply mop them with the rest of the floor
- Durable, Hi-Trac™ Surface stands up to daily cleaning and restroom traffic
- EFM™ Absorbent Technology captures urine and water on contact, wicks them away and dries out quickly
- Impermeable backing layers stop liquid pass-through to prevent stains and grout damage
- Tested and certified by the National Floor Safety Institute (NFSI) as a high-traction surface which can reduce slip and fall claims by as much as 90% when used as part of a Floor Safety Program
- Adhesive-backed TimeStrip® Indicators (sold separately) can be applied to your Grippy Restroom Mats for easy monitoring of service life; choose 30-day or 90-day indicators
