VELCRO® Brand Industrial Trade Range ONE-WRAP® ★ NEW

VELCRO® Brand Industrial Trade Range ONE-WRAP® Tape is a self-engaging tape specifically designed for bundling and strapping materials. Fully adjustable and reusable, VELCRO® Brand ONE-WRAP® tape is an eco-conscious alternative to traditional plastic cord management solutions typically used in data server rooms or for office electronics. VELCRO® Brand ONE-WRAP® is available in 25 yard rolls and widths of 1/2", 3/4", and 1". It also allows professionals to avoid the risk of over-tightening and impairing the performance of fiber optic or Cat 5 cables and electrical cords over time.

Available widths: 1/2", 3/4", 1" **Length:** 25 yd **Colors:** Black
