## Extreme Stress Relief

Experience extreme stress-relief with the Bevco ErgoLux Jr backless stool. Super soft, high-density visco-elastic memory foam provides resilient, long-lasting ergonomic support. The soft and supportive foam is covered in puncture, water and stain-resistant polyurethane, which is antibacterial. Very easy to clean. All stools come standard with non-marring dual-wheel hard floor casters. The ultimate in comfort and durability!

Ideal for medical, laboratory and higher education
