

1" D-Handle Impact Wrench
2850MAX & 2850MAX-6

REAL TOOLS FOR REAL WORK.™

Powered Up, Not Weighed Down

Ingersoll Rand 2850MAX 1" D-handle Impact Wrench

With 2,100 ft lbs of torque, the new Ingersoll Rand 2850MAX 1" D-handle Impact Wrench is our fiercest 1" wrench yet, loaded with extreme power that lasts as long as you need and continuously delivers over time. This sturdy yet lightweight impact wrench powers through bolts other tools can't. With a steel core, precision machined impact mechanism and powerful motor, the 2850MAX is solid enough to handle REAL WORK day in and day out without sacrificing power over time. But even with all that high-performance steel, the 2850MAX is still 25% lighter than the industry's leading 1" wrench, so it's easy to maneuver and causes less fatigue. No matter how tough the job, you can power through with the 2850MAX.

Heavy Truck & Tire Changing

Industrial Maintenance

Heavy Equipment

Vehicle Repair

Tool Features

DURABILITY
Chemical resistant housing & steel core design stand up to drops and harsh work environments

POWER
Solid steel impact mechanism delivers 2,100 ft lbs of torque

REACH
6" extended anvil increases accessibility in hard to reach places (**2850MAX-6**)
Standard anvil option available, (**2850MAX**)

CONTROL
360° adjustable side handle rotates fully around the tool as the job demands

RELIABILITY
Highly engineered design delivers the power you need over the life of the tool

ERGONOMICS
At 21.58 lbs, 25% lighter than the industry's leading 1" wrench

ACCESSIBILITY
