

DURAHIDE™ ORIGINAL®

LEATHER HAND PROTECTION

Build up, build on or tear it down. The DuraHide™ Original® relieves calloused hands with DuraHide™ performance leather when you're in full swing. DuraHide™ leather provides extreme abrasion resistance when operating power tools and hauling abrasive building materials. When the job's done, just toss them in the wash. With a gamut of practical uses, it's no surprise The Original® is the most recognized and most frequently worn work glove by anyone with a toolbox.

COMFORTABLE FIT

Form-fitting TrekDry® keeps your hands cool and comfortable while you work.

LEATHER

DuraHide™ leather protects your palm with extreme abrasion resistance.
