Quartet® Anywhere™ Dry-Erase Sheets

Dry-erase sheets are a convenient, innovative solution for quick notetaking. These disposable sheets cling to the wall like a flipchart page, but can be written on with dry-erase marker. Dry-erase ink easily wipes off to make updates as you work through a project. A static charge keeps the dry-erase sheets firmly in place on the wall while you write. Dry-erase sheets come on a 40 foot roll and tear off into fifteen sheets. Dry-erase sheets are made for short-term projects: tear off, cling, write and toss away after a few days. After an extended period of time the dry-erase marker will permanently stain the paper.

Quick and Easy. Die-cut holes are specifically designed to work with just about any easel.

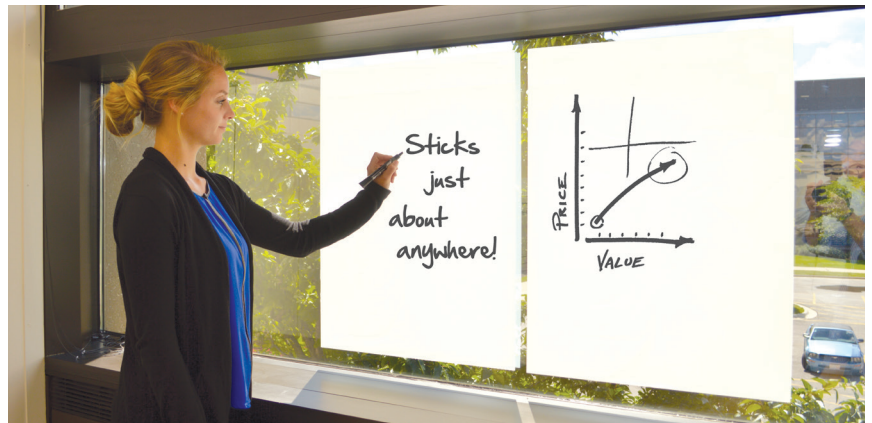

Sticks Around. Static charge keeps each dry-erase sheet in place despite gravity.

Expand Your Surface. 40 foot roll is perforated and easily tears off into 24" x 31 1/2" dry-erase sheets.
