10 Year Sealed Battery CO Alarm Legislation

- Ideal for Multifamily Applications
- Maintenance Free
- Never Change a Battery!

**Effective
April 1, 2017**

Impacted Dwellings

Existing rental dwellings, meaning "a room or group of rooms that form a single independent habitable rental unit for permanent occupation by one or more individuals that has living facilities with permanent provisions for living, sleeping, eating, cooking, and sanitation."

Installation Guidelines

Buildings with occupancies as described above, shall replace battery-operated CO and combination smoke & CO alarms upon activation of the unit end-of-life signal with alarms containing permanent integral 10-year lithium batteries. CO alarms shall be located outside and in the immediate vicinity of each separate sleeping area and on every level of the unit, including the basement.

Approved CO Alarms

Battery-operated CO and combination smoke & CO alarms provided with permanent integral 10-year lithium batteries.
