- 11.0 lbs (5.0 kg) - approximated

Product Specifications (overall external dimensions):

- 21.67"W x 8.16"H x 3.75"D (55.0 cm x 20.7 cm x 9.5 cm)
- 1.55 lbs (0.7 kg) - approximated

Mounting Specifications:

* Imported

Advantage

Wire is Both Functional and Economical

Dispensers made of wire provide a cost effective alternative and a simple solution for holding glove boxes.

Major Benefits

Durable

Our wire dispensers are made of heavy gauge wire to retain their shape and withstand normal use.

Cleaning

The coated finish resists common chemicals and can be wiped clean with soap and water. Standard hospital cleaning supplies are approved for use on our coated wire products.

Flexibility

Wire dispensers come in a variety of sizes to fit your needs. Each of our new wire glove box dispensers can be mounted either horizontally or vertically. Double, triple, and quad glove box dispensers with their alternative mounting options ensure you have gloves when and where you need them.
