MULTI-PURPOSE ENAMEL SPRAY PAINTS

Solutions for the facility maintenance professional

Tough Guy™ Multi-Purpose Spray Paints spray at any angle and feature an ultra-coverage formula to cover more surfaces faster with fewer cans — minimizing downtime and waste.

Tough Guy™ Multi-Purpose Spray Paints also feature:

- Comfort spray tip for reduced finger fatigue
- Even spray pattern for fast and smooth coverage
- Sprays any direction without messy tip adjustments making hard-to-reach areas easy to paint.
- Durable, ultra coverage enamel formula can be used to protect metal, concrete, masonry, wood and more.
- Use on tools, equipment, motors, lockers, vents, cabinets, machinery, furniture, color-coding, stenciling or other general purpose applications.

Choose Tough Guy™ Multi-Purpose Spray Paint for a tough and professional finish that lasts.
