

Fluke BP881 BNC to Male Double Stacking Banana Plug

Overview:

Designed to easily connect your DMM to a BNC patch cord. Use this adapter when connecting accessories that have a male BNC output.

Features:

- Allows for hands-free testing in controlled voltage environments 500 VRMS maximum
- Banana plug is nickel-plated, beryllium copper for low contact resistance
- The BNC shell is plated for tarnish resistance
- Operating temperature +50 °C (+122 °F) maximum
