

CENTER-DRIVE

The Center-Drive. Gerber's new multi-tool that offers uncompromising performance through revolutionary design. The innovative center-axis driver opens to align like a real screw driver, yielding maximum torque and rotation. No productivity is sacrificed with the addition of a 30% larger outboard blade and one-thumb opening sliding jaws. Full size, real tools - the multi-tool just got a reality check.

UNCOMPROMISED. UNCOMPLICATED.
