

PIG® Grippy® Restroom Mat Bundle

#GRP7000 - Adhesive Backing; Poly-Backed; Antimicrobial Fiber • 5 pads • Most Popular Shapes

Outfit a small bathroom with adhesive-backed PIG Grippy Restroom Mats for cleaner, drier and safer floors. Includes Urinal Mats, Toilet Mat, Sink & Dryer Mat and Plunger Mat.

-
- Bundle includes a variety of PIG Grippy Restroom Mats for maximum drip/splash coverage: two sizes of urinal mats, toilet mat, sink/dryer mat and plunger mat
- Proprietary adhesive formulation applied across entire backing of mats ensures they stay in place with no shifting, curling or flipping up
- Sticks to your floor to stop slip and trip hazards and eliminate time spent repositioning mats that have shifted; mats peel up easily when you need to remove them
- Permanently infused with antimicrobial technology to prevent the growth of odor-causing bacteria and mold on the mats
- Top surface is engineered to absorb urine and water on contact, wick it away and dry out quickly
- Durable, low-profile mats can be mopped without shifting or sliding around, allowing you to extend product life
- Two impermeable backing layers ensure zero liquid pass-through, protecting your flooring and grout against degradation and discoloration from uric acid
- Tested and certified by the National Floor Safety Institute (NFSI) as a high-traction surface which can reduce slip and fall claims by as much as 90% when used as part of a Floor Safety Program
- Adhesive-backed TimeStrip® Indicators (sold separately) can be applied to your Grippy Restroom Mats for easy monitoring of service life; choose 30-day or 90-day indicators
