

PIG® Grippy® Urinal Mat Runner

#GRP7004 - Adhesive Backing; Poly-Backed; Antimicrobial Fiber • 1 roll • Continuous 25' Cut-to-Length Roll

Keep floors cleaner, drier and safer with an adhesive-backed PIG Grippy Urinal Mat Runner for a more professional restroom environment.

-
- Industry-first design lets you roll out and cut to length the perfect size runner for continuous drip/splash coverage under a row of urinals
- Proprietary adhesive formulation applied across entire backing of mats ensures they stay in place with no shifting, curling or flipping up
- Sticks to your floor to stop slip and trip hazards and eliminate time spent repositioning mats that have shifted; mats peel up easily when you need to remove them
- Permanently infused with antimicrobial technology to prevent the growth of odor-causing bacteria and mold on the mats
- Top surface is engineered to absorb urine and water on contact, wick it away and dry out quickly
- Durable, low-profile mats can be mopped without shifting or sliding around, allowing you to extend product life
- Two impermeable backing layers ensure zero liquid pass-through, protecting your flooring and grout against degradation and discoloration from uric acid
- 25-foot roll provides enough coverage for up to 10 urinals; also ideal for rows of sinks or wherever custom sizes are needed
- Tested and certified by the National Floor Safety Institute (NFSI) as a high-traction surface which can reduce slip and fall claims by as much as 90% when used as part of a Floor Safety Program
- Adhesive-backed TimeStrip® Indicators (sold separately) can be applied to your Grippy Restroom Mats for easy monitoring of service life; choose 30-day or 90-day indicators
