

Comfort solutions for all of your accommodations

Cotton rich means more cotton for greater comfort and breathability.

Combines the softness of cotton with the strength of spun polyester to provide a product with superior hand, comfort and long lasting durability.

Twelve and fifteen inch deep pockets on the fitted sheet for a guaranteed fit and efficient bedmaking.

Available in Twin through King sizes.

Martex® Millennium and Dryfast® Sheets

60% Cotton, 40% Polyester. Single pick durable percale weave. Colored hem thread indicator on flat and fitted sheets. Staybright® bleach-friendly, fade-resistant technology (Bone only). Dryfast sheets have the benefit of: Reduction in energy/labor savings, stain product recovery- less rewashing, environmental impact from reduced drying time, and increased ROI.
