

## **PIG® Grippy® Adhesive-Backed Berber Entrance Mat**

GRP914X6 High-Traction, Self-Sticking Entrance & Walkway Runner, Heavyweight, 4' x 6'

Keep floors safe and capture dirt and liquid at your door with our carpeted adhesive-backed runner; replace your rental rugs in entrances, walkways and lobbies with our stylish absorbent mat to prevent slips, trips and falls.

- Precut 4' x 6' roll provides the floor coverage and absorbency you need to control dirt and moisture in entrances and walkways; no cutting required
- Our stylish Berber carpeted floor mats complement modern or upscale lobbies and vestibules, entryways, walkways and more
- Adhesive-backed floor mat stays exactly where you put it with no shifting, bunching up or ripples that cause slips and trips — no straightening, no hassles
- Dries out quickly without moisture soaking through to the floor; absorbs water, oil and grease and traps dirt, debris and sand to keep it from being tracked around
- Sticks to the floor with a super-tight grip, but peels up easily without leaving a residue or damaging floors
- Saves you money as a cost-effective replacement for risky and outdated traditional rubber-backed entrance mats and scraper mats that can cause slips and trips
- Commercial-grade durability allows you to keep mat in place for 3 to 6 months depending on your conditions; carpet fibers resist fading, staining and crushing
- Easy to clean: you can sweep, vacuum, mop or use your floor scrubber/carpet extractor over Grippy Mat and it won't budge
- No rippled edges to obstruct doors or create tripping hazards; ADA compliant for wheelchairs and walkers
- Sticks to most commercial floor surfaces including concrete, VCT, linoleum, ceramic tile, quarry tile and laminate flooring
- Tested and Certified by the National Floor Safety Institute (NFSI): high-traction surfaces such as PIG Grippy Floor Mat have been proven to reduce slip-and-fall claims by as much as 90%

- Mats take on the properties of absorbed liquids
- always take proper precautions when handling saturated absorbents

Item#	Description	Dimensions	Weight
GRP914X6-BK	Black	4' W x 6' L	4.43 lbs.
GRP914X6-GY	Gray	4' W x 6' L	4.43 lbs.

[New Pig Adhesive-Backed Mat Notice](#)

[PIG Grippy® Carpeted Entrance and Floor Mat](#)

[29 CFR 1910.22\(a\)\(2\)](#)

### Disclaimers

#### [Safety Instructions Regarding Flammable Liquids for Flame Resistant Mats](#)

Pig Absorbent Mats are flame resistant in their unused state, but take on the properties of flammable liquids they absorb. Always take proper precautions against potential ignition in handling and disposal of these mats if they have absorbed flammable liquids. For further assistance, please call Technical Services.

#### [Color Variation Statement](#)

It is normal for top layer materials to show minor variations in color between production runs. This is particularly true for the grades of materials used in consumable or disposable products such as our adhesive-backed mats. New Pig makes every effort to achieve consistent color, but some variance is possible. Perceived differences in color may also result from mat layout orientation or uneven traffic wear patterns.
