

PIG® Oil & Sediment Filter Bag Replacement

FLT754 For Catch Basin Filtration Insert, For Oil; Sediment; Trash; Debris, Absorbs up to 2 gal. per box

Quick-replace, drop-in filter removes oil and sediment from stormwater runoff – replace the filter bag during a changeout in 10 seconds!

- Filter bag replacement is an easy, one-person job!
- Drop-in filter replacements save you money and reduce waste; dispose only the filter bag, not the entire drain insert
- Holds up to 40 pounds of oil and sediment; replace when bag is clogged or full
- Each pack contains 2 disposable filters, so you always have one on hand
- High visibility, durable straps make it easy to lift full filter bags from your drain insert
- Compatible only with PIG Catch Basin Filtration Insert Systems
