

# #1 selling remote for healthcare and hospitality

## 99% Cleaner

*Problem*

Remote controls are one of the most often touched items... Tested to carry dangerous bacteria

Standard TV remotes are impossible to clean properly

## Solution-Clean Remote

The Clean Remote's nonporous surface is easily disinfected

Clinically tested **99%** less bacteria than all other remotes tested

## Save Money

**Spillproof**

**Attached / Hidden Battery Door, with optional screw included**

**One Touch Setup  
No codes needed**

**Works over 250 TV brands**

**Patients or guests cannot change programming**

**Any staff member can set-up the remote in seconds**
