

# 315

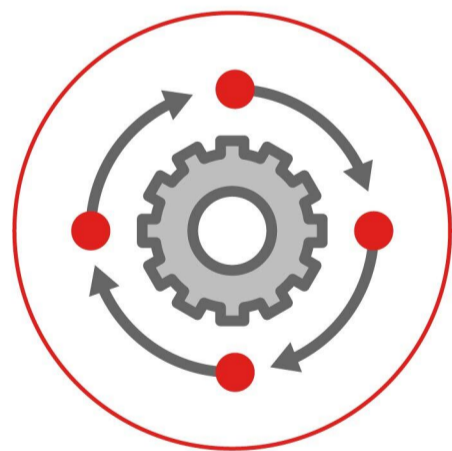

## RELIABILITY

Every time you pull the trigger on the straight-line air sander, you can be sure it'll perform consistently.

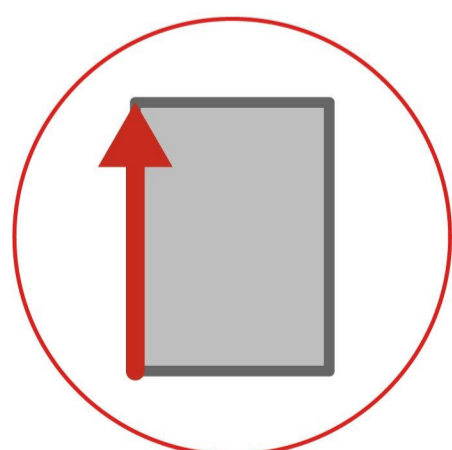

## PERFORMANCE

This sander's top handle provides an easy grip that allows you to exercise full control over the tool for perfect performance every time.

## VARIABLE SPEED

With variable speed, you can adjust your tool to your specifications whenever you need.

## PAPER SIZE

Paper size should be 17.5" long to accommodate wrap-around clamps.
