

KLEENGUARD™

G10 Flex™ Blue Nitrile Gloves

FIT, FLEXIBILITY AND PROTECTION

KleenGuard™ G10 Flex™ Gloves help enhance productivity by enabling workers to feel the shape and texture of objects while performing light-duty tasks due to their 3-mil finger thickness. The highly disposable gloves help increase speed and accuracy while providing:

- Durability
- Excellent fit
- Comfort without compromise

KleenGuard™ Hand Protection is designed with human-centric engineering that enables rather than inhibits — allowing for maximum productivity and safety.

**KleenGuard™ Hand Protection —
Perform with Distinction.**

G10

By Kimberly-Clark Professional®

Help your customers take the next step in their waste reduction journey by choosing **RightCycle by Kimberly-Clark Professional**. This innovative program enables our customers to turn previously hard-to-recycle single-use apparel, safety eyewear and nitrile gloves from Kimberly-Clark Professional into new consumer goods. Learn more by visiting: www.KCProfessional.com/RightCycle.

1 The RightCycle™ Program is open to all companies who use KleenGuard™ Brand nitrile gloves in non-hazardous applications. In order to qualify for recycling under the program, gloves must not be exposed to hazardous contaminants or require special handling or disposal.
