

KLEENGUARD™

G10 2PRO™ Blue Nitrile Gloves

DELIVERING DURABILITY AND STRENGTH

Kleenguard™ G10 2PRO™ Blue Nitrile Gloves provide textured fingertips for better grip, allowing for various applications. Durable with a 6-mil thickness, the gloves enable workers to get the job done without fear of tearing or breaking.

- Ideal for demanding light-duty tasks
- Superior strength
- Easy to don

Kleenguard™ Hand Protection is designed with human-centric engineering that enables rather than inhibits – allowing for promoting productivity and safety.

**Kleenguard™ Hand Protection –
Perform with Distinction.**

By Kimberly-Clark Professional®

Help your customers take the next step in their waste reduction journey by choosing **RightCycle by Kimberly-Clark Professional**. This innovative program enables our customers to turn previously hard-to-recycle single-use apparel, safety eyewear and nitrile gloves from Kimberly-Clark Professional into new consumer goods. Learn more by visiting: www.KCProfessional.com/RightCycle.

¹ The RightCycle™ Program is open to all companies who use KleenGuard™ Brand nitrile gloves in non-hazardous applications. In order to qualify for recycling under the program, gloves must not be exposed to hazardous contaminants or require special handling or disposal.
