

"Forestry Pro™" 12-Strand Braided Polyester

12-Strand Polyester Arborist Tree Climbing / Rigging Line manufactured to please the most aggressive traditional climber. The "Forestry Pro™" was originally manufactured exclusively for the Canadian Logging Industry. A firm 100% premium polyester construction keeps the line round for high performance. Special colors are available in 1,200 ft.+ quantities. Available in 1/2", 5/8" and 3/4" Diameters, and 120', 150', 600', 1,200'+ lengths.

Key Benefits

- Works as a Tree Climbing Line or as a Rigging Line.
- Excellent Tensile Strength compared to a Polyester over Polypropylene.
- Retains 100% Strength When Wet.
- 12-Strand Braid holds together when rigging without blocks or pulleys.
