

99% Cleaner

Problem

Remote controls are one of the most often touched items... Tested to carry dangerous bacteria

Standard TV remotes are impossible to clean properly

Solution - Clean Remote

The Clean Remote's nonporous surface is easily disinfected

Clinically tested
99% less bacteria than all other remotes tested

Save Money

Spillproof

Attached / Hidden Battery Door

One Touch Setup
No Codes Needed

Works over 250 TV brands

Patients or guests cannot change programming

Any staff member can set-up the remote in seconds
