FOR THE ONES WHO GET IT DONE

BARRIER FENCE

This plastic Diamond Fence has been designed to match the look and performance of traditional metal chain-link fence, ensuring an aesthetic appeal, while the smooth top and bottom borders make it less likely to cut and scrape adjacent materials during installation and removal. Ideal for places where restricted access and work site safety is required.

- ✓ Colors Available: Orange and Green
- ✓ Will not rust, corrode or rot.
- ✓ An excellent contractor-grade product
- ✓ Easy to transport and install.
- ✓ Highly visible in dangerous areas such as construction sites.
- ✓ Economic, lightweight and durable.
- ✓ Treated for UV resistance
- ✓ The plastic material bends easily to form the barrier shape you need.
