

## ASW SERIES DOUBLE ENDED SPEED WRENCHES

Available in 4  
models

**PATENT PENDING**

The ASW Speed Head Wrenches make tightening and loosening “F” connectors, nuts, and bolts quick and easy, plus head is angled (15°) on the **ASW-12**, **ASW-716** and **ASW-916** to ease access. Polished to a high gloss finish, and made of high carbon alloy steel. Works like a ratcheting wrench at a fraction of the cost.

Part No.	Description
ASW-12	Speed Wrench Double-Ended 1/2"
ASW-716	Speed Wrench Double-Ended 7/16"
ASW-916	Speed Wrench Double-Ended 9/16"
ASW-7916	Speed Wrench Double-Ended 7/16" & 9/16" for F connectors & RG11 connectors
