

SOAPSTONE

All-natural soapstone is the economical, versatile solution for temporary marking during welding operations. Marks are easily removed and will not contaminate welds.

FEATURES & BENEFITS:

Temporary marks can be easily removed

Marks will not contaminate weld or damage metal surface

Available in three easy to hold shapes: flat, round and square

Holders for flat and round shapes reduce breakage

For more visible and durable marks, see our **Silver-Streak®** and **Red-Riter®** metal markers

INDUSTRY USES:

Welding

Metal fabrication

Ship building and repair

Bridge fabrication

Construction

Textile industry

SURFACE USES:

Steel and iron

Aluminum

Stainless Steel

Cloth and fabric (textiles)

DETAILS:

80129 Flat

80130 Round

80131 Square

80140 Flat Holder and Refills
