WELD X NEW! A MILLER EXCLUSIVE

Miller's exclusive WeldX™ apparel is the **new solution** in welder protection.

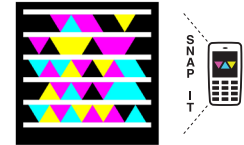

A lightweight base fabric is infused with a proprietary compound producing a material with **extreme flame-resistant** properties and the ability to repel sparks, spatter and other molten metals. It won't burn, melt, ignite or shrink! WeldX protective apparel outperforms in the toughest environments to keep your team **safe, comfortable** and **more productive**.

JACKET

- 7oz. WeldX front and sleeves with 9oz. flame-resistant navy cotton back
- Lined sleeves for added protection
- Vented back for improved air flow
- Zipper closure with Velcro® storm flap
- Extended rear tail
- Accessible inside pocket
- Barracuda-style collar comfortably protects the welder's neck
- Fold-in snap sleeves easily allow gloves to slide over the jacket

CAPE SLEEVES

- 7oz. WeldX front and sleeves with 9oz. flame-resistant navy cotton back
- Barracuda-style collar
- Fold-in snap sleeves
