

PIG® Universal Absorbent Sock

#35700 - 3" x 42" • Absorbs up to 96 oz. per sock • 2 socks

Wrap flexible, self-contained PIG® Socks around tanks, drum areas and puddles to stop the spread of liquid while the Socks' thirsty absorbent filler absorbs it. Easier to use and clean up than messy floor sweep!

- Moldable Socks surround equipment, drums or tanks and contain spills to keep them from spreading into walkways or other areas of the shop; also great for catching liquid that seeps under overhead doors
- Contained absorbent makes cleanup quick and easy
- Thirsty 100% PIG® Mat filler; polypropylene is highly absorbent and chemical resistant
- Polypropylene skin is chemical and tear resistant; reduces dust and holds in liquid, even when fully saturated
- Safely absorbs and retains oil, coolants, water, grease, gasoline, solvents, auto fluids, paint overspray, battery acid and most other liquids
- Wringable for reclaiming absorbed liquid; can also be compacted or incinerated after use to better manage waste streams

Always in stock. Ships within 24 hours.
