PIG BLUE ABSORBENT MAT

Item #	
30PZ01	30PZ06
30PZ02	30PZ07
30PZ03	30PZ08
30PZ04	30PY99
30PZ05	30RA85

Thirsty Pig Blue Mat is made thicker to handle high-volume leaks and drips.

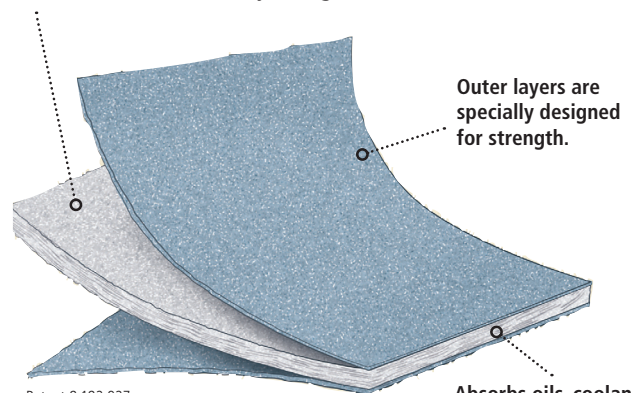

Pound for pound, Pig Blue is our most absorbent mat!

If you deal with large-volume or steady leaks, try Pig Blue — a mat so unique it even earned a patent. FiberFusion Technology fuses superabsorbent natural fibers and strong synthetic fibers to soak up nearly twice as much as standard mats. You'll absorb more, use less and do fewer changeouts. So wherever you have a maintenance mess, pump up the volume with our most absorbent mat — Pig Blue.

**ABSORBS
UP
TO
43 OZ
PER PAD!**

100 heavyweight Pig Blue Mat Pads will absorb 34 gallons of liquid — up to 43 ounces per pad. Talk about one thirsty mat!

FiberFusion Technology fuses natural and synthetic fibers to enhance absorbency, strength and loft.

Patent 8,182,927

Fire retardant for added safety; flame tested in accordance with ASTM Standard E84-08.

Made of 75% recycled material; ideal choice where green products are desired or required.

Absorbs oils, coolants, solvents and water. Note: Not recommended for acids, bases or other corrosive liquids.

30PZ04	30PY99
30PZ05	30RA85

Use Pig Blue for maintenance messes. More absorbency means fewer changeouts! Plus, mats are perforated — tear off smaller sizes for tight spaces.

High-volume leaks are no match for Pig Blue! It soaks up more liquid to keep the mess under control.

Soak up pump drips without cluttering up your workspace with dirty rags. Pig Blue Barrel Top Mat is precut for a perfect fit on steel 55-gallon drum tops.

Choose the size that's right for you.
