

# PIG® Surgical Absorbent Mat Roll

#HC103 - Heavy-weight • 30" x 150' • Latex Free

Improve O.R. safety and cut costs by using our Mats instead of hospital blankets.

- 8-layer construction absorbs and retains liquids to help keep your O.R. floor clean and safe
- Lies flat on the floor to accommodate foot traffic and movement of mayo stands and other carts; no more tripping over bunched up blankets
- Special microfibers grip wet floors so they won't slide around; put mats down any time during a procedure and reposition as needed
- Disposable mats save money with fast cleanup and O.R. turnover while avoiding the need to launder blankets
- Durable mats won't rip, tear or fray under heavy foot traffic during long surgeries
- Easy-tear perforations let you create smaller pads and use only what you need
- Made with 50% recycled content
- Latex-free
