

# PIG® Barrel Top Absorbent Mat

#MAT244 - Light-weight • For 55-Gallon Steel Drum • 25 pads

Shaped to fit on drum tops to keep them clean, these absorbent mats last 2x longer than ordinary mats for fewer change-outs.

- Soak up pump drips without cluttering up your work space with dirty rags!
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Fits 55-gallon steel drum tops; pre-cut with holes for 3/4" and 2" bungs to provide a perfect fit
- Light-weight construction is economical for less frequently used drum pumps
- Dispenser box makes it easy to take, carry and store your mat while protecting it from dirt and moisture

Always in stock. Ships within 24 hours.
