

PIG® Thick Liquids Absorbent Drip Pan

#PAN202 - 10.5" x 10.5" x 3" • Absorbs up to 75 oz. per pan • 6 pans

Mesh top makes this pan perfect for catching thick liquids like paints, glues, and resins.

- Low-profile pan fits underneath drum faucets and other tight spaces; wide base won't tip over like unsturdy coffee cans
- Mesh top lets liquid pass into absorbent polyester filler housed in a chemical-resistant base
- Quickly absorbs thick, high-viscosity liquids that conventional absorbents can't
- Ideal for trapping thick fluids such as paint, glue, resins, liquid chocolate, syrup and varnish
- Use under leaking drum faucets, spigots and flanges to absorb nuisance drips; keeps your floors clean and safe

Always in stock. Ships within 24 hours.
