

PIG® Rip-&-Fit® Oil-Only Absorbent Mat Roll

#MAT443 - Heavy-weight • 15" x 150'

Extra perforations let you create custom mat sizes without cutting. Just "rip" it along the easy-tear perfs and "fit" it into place.

- Lasts 2x longer than ordinary mats for fewer change-outs.
- No matter how you rip it, this mat features the proven eight-layer, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Absorbs and retains oils and fuels, not water
- Bright-white color tells you it's only for oils and fuels and makes absorbed oil easier to see; draws attention to machine leaks and clearly shows saturation level during spill response
- Floats to clean up spills on water
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Perforated every 3.75" across width and every 10" across length
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups
