Outdoor

**R**ubber Entrance Mats are constructed with a tough rubber compound that remains flexible while withstanding extreme cold. Thousands of tough, flexible rubber fingers sweep shoes clean. Due to its durable construction, Rubber Entrance Mat is the perfect year round outdoor entrance mat for schools, municipal buildings, plant entrances, and office buildings.

Test	Test Description	*Results
ASTM D-3884-01	Abrasion Resistance	0.77 grams (0.7%)
