Factsheet

100% POLYESTER KNIT CLEANROOM WIPER

Suitable for use in all cleanroom environments Class 10 and above.

30N528

Tough Guy Polyester Knit Cleanroom Wipes are comprised of 100% ultra pure continuous filament polyester yarns that are especially absorbent and clean. These wipes are laundered and packed in a Class 10 cleanroom laundry.

Highly absorbent, with excellent wiping efficiency and abrasion resistance Tough Guy Polyester Knit Wipes are laser cut to reduce particles and feature sealed edges for applications where scratching is a concern.

These wipes are designed for extra absorbency and wiping efficiency. Suitable for use in all cleanroom environments Class 10 and above.

100% POLYESTER KNIT CLEANROOM WIPER
