- Low battery indicator on STI Wireless Alert Series Receiver
- Coin Cell Battery CR2032

We protect the things that protect you.

Thank you for purchasing the STI Wireless Doorbell Button. Your satisfaction is very important to us. Please read this manual carefully to get the most from your new product.

Installation Instructions

1. To remove cover, insert screwdriver, or other small device, at bottom of cover and depress gently. Rotate until tab disengages (Fig. 1).
2. Insert the battery by placing it under the top claws and then pushing battery into the bottom cradle (Fig. 2 and 3).
3. Attach backplate onto mounting surface with two included #6 – 32" screws (Fig. 4).
4. Snap cover back together (Fig. 4).
5. The Wireless Doorbell Button can now be enrolled into your 433 MHz Wireless Receiver. (Refer to receiver instructions for enrollment and programming.)
