Product that works.

380/390 SERIES

The 380/390 Faceshield Series has been a leading faceshield in the market for decades! The shield curves naturally to fit facial contours- ensuring reliable protection from splash, particles and flying debris. Rugged, interchangeable windows are impact and chemical splash resistant. Two headgear styles available - Ratchet suspension or pin lock suspension.

Key features:

- Double Crown Guard feature offers extra side & bottom protection from splashes, dust and contaminants.
- Clear window for grinding & chipping operations.
- Shade 5 IR for grinding, chipping and/or brazing operations.
