

# DP4™ face shield

**sellstrom®**  
Product that works.

## Multi-tasking Made Easy!

*Convenient System Gives You the Flexibility to Handle Various Types of Grinding, Brazing and Flame Cutting Operations*

The new DP4 faceshield combines a clear anti-fog window with a flip-down IR window, providing uninterrupted protection for grinding, cutting, and brazing operations. The shield curves naturally to fit facial contours; ensuring reliable protection from splash, particles, and flying debris. Ratchet headgear suspension allows user to adjust size and tighten at the turn of a knob. Rugged, polycarbonate shield is impact and splash resistant.
