

# KRAFT SHIELD

## CONSTRUCTION GRADE KRAFT PAPER

by Surface Shields

This construction grade kraft paper is an excellent resource for professional contractors. It is the preferred alternative to "Red Rosin" paper. Contractors rely on Kraft Shield to protect flooring, cabinets and counter tops from foot traffic, paint and spills without the fear of staining. Kraft Shield is 100% organic and is bio-degradable making it an easy choice for environmentally conscious individuals.

- Preferred alternative to "Red Rosin" paper
- Non-staining
- Protects floors, cabinets and counter tops from foot traffic, paint and spills
